Dear Friends in Christ:

On behalf of the congregations of The American Lutheran Church and for myself personally, I send you fraternal greetings on the occasion of the 100th anniversary of your congregation.

The American Lutheran Church looks with appreciation and joy upon your work and witness over the years and is grateful to the Lord of the church for your partnership in the Gospel.

In this time of celebration, you will be looking back and ahead--back over this period of grace under God and honoring the memory of those who lived and labored among you. You will be looking ahead to the new time of grace and opportunities to preach and to do the Gospel.

The God who has blessed you so richly in the past will continue to lay his hand of blessing upon you.

St. John Lutheran Church
(Buck Creek) R.R. 2
Sumner, Iowa 50674

Dear Members of St. John Lutheran (Buck Creek) of Sumner, and Pastor and Mrs. Allan Stoa and family:

One hundred years of ministry in which so many have been blessed by God, is certainly something to celebrate. I am sure this is an exciting year for all the members of the congregation, as you recall the early history and the heritage that is yours from your forefathers. It is so good that we do take time out to remember and to thank God for these things in our personal relationship to him, and as a congregation related to each other.

The people of God that make up the Church, particularly here in the Iowa District, greet you in this year and rejoice with you. I hope you will not only recall the past and thank God for it, but that this will be an opportunity to take another good look at your mission - your reason for being a congregation - that you will look ahead - seek God's help and recommit yourselves to the great mission that God has assigned to his people on earth. Minister with the Gospel to each other, share it with those in your community, live your Christian life, and support the work of missions all over the world.

It is a great task God has given us, but a thrill to be a part of it. Celebrate with joy, thanksgiving and in the spirit of re-commitment!

Sincerely,

Bruno Schlachtenhaufen

To the Buck Creek Congregation

CENTENNIAL GREETINGS!

We are indeed very happy to be a part of this congregation. Our family thanks you for your continued love and kindness expressed to us. We truly feel that we are in the midst of a great people!

Your spirit has been one of friendship, fellowship and cooperation around the Gospel of Jesus Christ. Not only have we had the opportunity to minister to you, but you have ministered to us. We have experienced a mutual exchange of the factors that excite faith, mold character, and determine destiny. To you, the Buck Creek congregation, the Stoa family shall always be grateful.

As we celebrate this centennial with you, we are mindful of the words of Jesus Christ:

"Here the saying holds true;
One sows and another reaps.
I sent you to reap that for which you did not labor;
others have labored, and you have entered into
their labor." — John 4:37-38

Yes, here the saying holds true. We who minister to you today are the benefactors of other pastors and their families who labored before us. For this we must give our gratitude to God; and irrespective of who sows or reaps, it is God who gives the increase.

These years we have been with you has been our opportunity. We trust that our ministry to you, and the community, has been and shall be of such a nature that others who may follow shall reap from what we have sown.

Forever in Christ,

Pastor Allan J. Stoa

Chrismon Tree

Since 1971, the Christmas tree in our church has been decorated with Chrismons, which not only contribute much to the spirit of worship in this Holy Season but a beautiful way to glorify God.

Chrismon is a combination of the parts of two words, **CHRIST** and **MONogram**. A Chrismon is just that, a monogram or symbol of Christ. Because Christmas is a celebration of Christ's Festival, the designs are limited to those that refer primarily to Him.

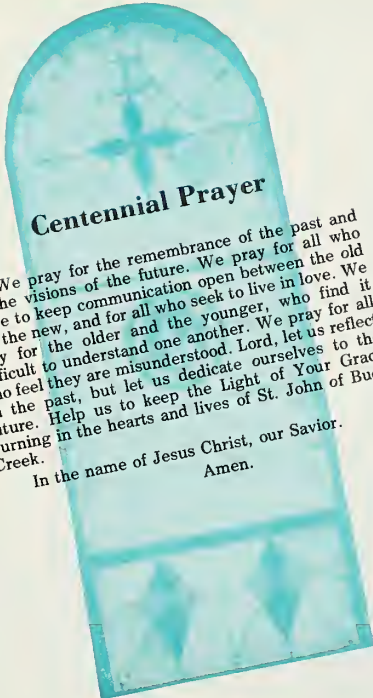

All Chrismons are made in combinations of white and gold. White, the liturgical color for Christmas, refers to our Lord's purity and perfection; gold, to His majesty and glory. We point to the Christ as the Light of the World by using tiny lights on the tree.

Easter Cross

A unique way to use the Christmas tree is to cut off all the branches and use the trunk for a cross at Easter. This reminds us that Christ died for us.

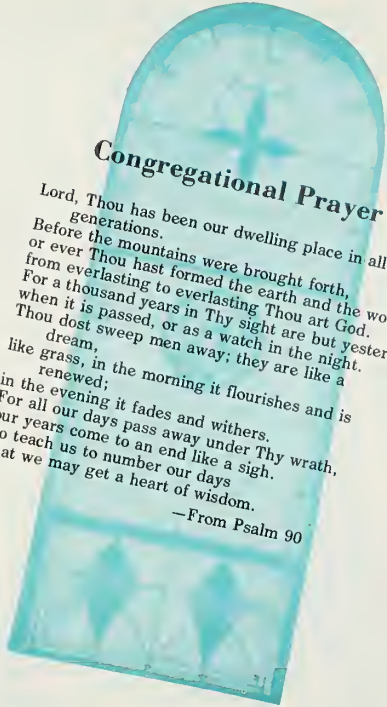

During Lent the cross stands bare. On Good Friday it is draped in black with a circle of thorns. On Easter morning it is draped in white and decorated with white lily buds and greenery.

Centennial Prayer

We pray for the remembrance of the past and strive to keep communication open between the old and the new, and for all who seek to live in love. We pray for the older and the younger, who find it difficult to understand one another. We pray for all who feel they are misunderstood. Lord, let us reflect on the past, but let us dedicate ourselves to the future. Help us to keep the Light of Your Grace burning in the hearts and lives of St. John of Buck Creek.

In the name of Jesus Christ, our Savior.
Amen.

Congregational Prayer

Lord, Thou has been our dwelling place in all generations.
Before the mountains were brought forth,
or ever Thou hast formed the earth and the world,
from everlasting to everlasting Thou art God.
For a thousand years in Thy sight are but yesterday
when it is passed, or as a watch in the night.
Thou dost sweep men away; they are like a dream,
like grass, in the morning it flourishes and is renewed;
in the evening it fades and withers.
For all our days pass away under Thy wrath,
our years come to an end like a sigh.
So teach us to number our days
that we may get a heart of wisdom.

—From Psalm 90

A Century of Growth and Grace

Theme: Christ Jesus is our cornerstone; chosen and precious.

God's grace has made possible the celebration of a 100th Anniversary.

The Gospel of Jesus Christ has been proclaimed, the sacraments have been administered and the Word of God has been proclaimed. Through these means of Grace, people have received the love and forgiveness of God.

A church is the visible symbol of a God who dwells on earth among men. It is the workmanship in wood and stone of men and women who live inwardly in dwellings not made with hands, whose builder and maker is God.

This congregation, through these many years, can state the words of Paul in all clarity: "So then you are no longer strangers and sojourners, but you are fellow citizens with the saints and members of the household of God, built upon the foundation of the apostles and prophets, Christ Jesus himself being the chief cornerstone, in whom the whole structure is joined together and grows into a holy temple in the Lord; in whom you also are built into it for a dwelling place of God in the Spirit." (Eph. 2:19-22).

In these 100 years of God's love to this congregation we want to state . . . Jesus Christ has been the cornerstone chosen and precious . . . and may Jesus Christ be the chosen and precious cornerstone in future generations.

Years of Growth

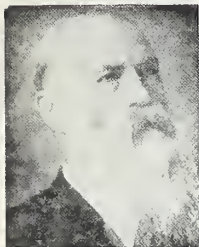

We dedicate this historical sketch to the Founders of St. John Lutheran Church, Buck Creek, whose love of God inspired them to found a congregation. To all those whose time and talents, generous gifts and devoted labors have supported this congregation in its endeavors for Christ and His Kingdom;

And to those who love and serve St. John Lutheran today, to the generations to come, and to those who will be called on to carry her standard into the future.

— Early Beginnings of Buck Creek —

Rev. Paul Bredow, 1873-1875

Rev. Bredow was born in Guelzon, Russia, in 1839 and trained in the Mission School at Neuendettelsau, Bavaria, Germany. He emigrated to America in 1861 and served many congregations in Wisconsin and Iowa before coming to St. John's of Maxfield Township in 1872. He founded many congregations in Bremer County, in addition to the one here at Buck Creek.

In the 1850's, the pioneering founders of St. John Lutheran Church immigrated from the area of Mecklenburg, Germany, and established a settlement along the Buck Creek.

The Reverend Paul Bredow, of Maxfield Church, was the first Lutheran pastor to preach to these people. In the following paragraphs are some of the thoughts of Rev. Bredow as he remembers his early missionary activities among the German Lutheran immigrants here at Buck Creek. They are taken from a book of his memoirs that was published in 1904.

"When I came to Maxfield, my Union neighbor (i.e. a pastor of the Reformed-Lutheran Union) was (periodically) preaching in the German settlement along the Buck Creek, to people that were exclusively Lutheran. A year later he left his congregation and thus also the preaching place at Buck Creek.

"For that reason on a day in February, 1873, I drove to this community and made house calls at which I invited the people for the next Sunday (Sexagesima, the 2nd Sunday before Lent) to a Lutheran service in the so called Marsh School. This school was about 12 miles from

Maxfield. The service was well attended. I preached on the Gospel of the day, the Parable of the Sower, and did not fail to proclaim Dr. Martin Luther as a real sower. At the close of the service I did not ask whether they wanted me to come again, but simply announced another service in two weeks. At this point someone in the congregation (Father S.) arose and said that he had nothing against my preaching but the former (Union) pastor had promised before he left that he would send them a pastor. I answered that perhaps the pastor had promised more than he could fulfill. Besides, I was willing to withdraw, if the promised pastor came and the people desired to have him. In the meantime, I would be willing to preach here in the presupposition that people came to hear me. There proved to be no need to worry—about the arrival of the Union pastor. The concern came from another unexpected source. After about a year, during which I had regularly conducted fortnightly services at Buck Creek, I had gathered together almost all the settlers of that locality, including several members of the Missouri Congregation at Maxfield that had settled in the Buck Creek area. Pastor Kanning operated with these and planned to set himself in the nest that I had prepared. For this purpose he announced services in the same school in which I had preached. By various means he was able to gain a following.

"I did not desire to generate a quarrel and chose another school, situated close to the farm of Karl Sell, which was 14 miles away, to which those people came who did not want anything to do with Pastor Kanning. Even after this, the notice appeared in the German paper in Waverly with the following content: 'That the Evangelical Lutheran Congregation at Buck Creek desired to build a church and that interested people should assemble at a given time and place. Pastor Kanning, at this time Pastor of the congregation.' The lumber for the new church was purchased. This had a very discouraging effort on the small group that attended my services; for it was argued that the few Germans living here could hardly call one pastor, to say nothing of two. This seemed reasonable, but it did not convince me. Trusting in the Lord and in the rightness of my cause, I continued to preach there, sometimes to few hearers. As I was driving to Buck Creek one Sunday afternoon, the thought struck me: 'How long will

Years of Growth

you have to continue this hopeless trek for services at Buck Creek?' The answer was soon to come. Having arrived at the school, I noticed to my surprise the presence of an old settler, a Mr. F. M., who had hitherto stayed away from my services. At the close of the service he came to me and said that he did not consider it right that Pastor Kanning sought to take the congregation, which I had gathered, away from me, and if I gave my permission he would confer with the other settlers and decide whether it would not be advisable to have one congregation and to support me. I had no reason to refuse my consent to this. Now there followed a time of unusually severe snow storms so that the roads were impassible. I could drive 28 miles in an afternoon and conduct a service, yet, when I tried on a week day to make the trip and investigate how matters stood, I could only go half-way. I could truly commit everything to my Lord in earnest, persistent prayer. Five or six weeks passed before I could conduct another service there. Then I learned the following facts. Mr. M. had visited all the German Lutherans that were interested in a church and had come to an agreement that on a certain day they would assemble in the Marsh School and discuss the question: 'Do we want to establish a congregation of the Missouri Synod, or the Iowa Synod?' But neither Pastor Kanning nor I were to be invited to the meeting so that the decision would be without the influence of either pastor. For this reason I had no knowledge of the meeting. But Pastor Kanning was notified by his friends, and arrived in due time. He believed that the decision could only be in favor of his synod and declared everyone a 'fool' who would not accept the decision. Great care was exercised in the voting. A voting roster was set up and the number of votes cast compared with the number on the roster. This tallied. But when the votes were counted there were two more votes for the Iowa Synod than for the Missouri Synod. When the result was announced, Pastor Kanning jumped on the school bench and thundered (Remember, he who had previously branded everyone a fool who would not side with the majority) with a loud voice against the 'false Iowa Synod', adjured all present for the sake of the salvation of their souls to guard against the 'false prophets of the Iowa Synod' and declared emphatically that he and his adherents would not agree to the decision. The excitement was so great, that, as a faithful friend told me, it almost came to physical violence in which Pastor Kanning would have been the main object. The Lord, however, did not let it come to such an outbreak of the flesh.

"That's how matters stood when, after a long delay, I came back to my preaching place. 'What should happen now?' Even though Pastor Kanning had spoken so boldly at the meeting, our opponents had lost all courage to continue the church building and privately sold the lumber among themselves. And the majority of those who favored our Synod thought that now they had done their duty. I announced a meeting in the home of Mr. L. M., whom I had confirmed, as well as his wife, and they had very little confidence in my plea to begin building at once. I declared that now the time had come for decisive action. If we desire success, let us

go forward in God's name. Articles of Incorporation were adopted. After everyone made a pledge for the new church, he was handed a list with the instruction to seek additional pledges from his friends for the building of a Lutheran Church. I promised also to be active for the cause in my own congregation. And the Lord blessed our efforts beyond expectations. Mr. Louis Buhr, who has since gone to eternal rest, gave several acres of land for the church and parsonage. The members found a cordial reception and I could collect about \$125.00 in my (Maxfield) congregation. Thus the church could be built.

"But if the gathering of a congregation at Buck Creek was to succeed, it was imperative that there would be services on Sunday mornings. For that I needed a suitable assistant. After explaining the situation to the Synodical President, I requested and received such help in the person on Candidate of Theology, W. Adix. He arrived at my home one February evening in the year 1875. I was delighted that he was sent because I had no doubt that, as a Mecklenburger, he would be most acceptable to the people of Buck Creek, who also were mostly from Mecklenburg, and at least were low-German.

"When I review all these experiences, my heart is filled with praise and thanksgiving to the faithful God of whom the Psalmist says: 'The Lord preserveth the simple; I was brought low and he helped me.' (Ps. 116:6) And when I look at the congregation and church at Buck Creek, I must exclaim even today: 'It is of the Lord's mercies that we are not consumed, because his compassion fails not. They are new every morning; great is Thy faithfulness.' (Lam. 3:22, 23) To Him above the glory."

Rev. Wm. Adix, 1875-1897

In the fall of 1874, Rev. Bredow felt it was time to organize a congregation here at Buck Creek. He contacted the President of the Iowa Synod, the Rt. Rev. G. A. Grossmann, requesting an assistant. Candidate William Adix of Wartburg Theological Seminary arrived here to help him in February of 1875. Candidate Adix was born in Mecklenburg, Germany, as were most of the people who had settled in the Buck Creek area.

For the next few months, Pastor Adix stayed at the Bredow parsonage at Maxfield, riding horseback to Buck Creek to conduct

Years of Growth

services. After the Articles of Incorporation were taken out, a Constitution was drawn up and signed by three men: Fred Poehler, G. Wolff, and Louis Buhr, the latter donating the land on which the church was built. A Call was then extended to Pastor Adix at a salary of \$250.00 a year. He accepted and was ordained and installed by Rev. Bredow on Cantata Sunday of 1875.

He then made his home in the small Carl Sell residence where he had a room 8 by 10 feet, set off from the other rooms by a curtain. This was his living quarters, bedroom and study.

Wedding picture of Mr. and Mrs. Louis Buhr, married on March 20, 1873. Mr. Buhr donated the land for our church and is also one of the three men who signed the original constitution. Many, many descendants of Mr. Buhr belong to this congregation including 14 grandchildren: Mrs. W. H. Tegtmeier [Martha Westendorf], Herman Westendorf, Louie Westendorf, Werner Westendorf, Reinhardt Buhr, Arnold Buhr, Alfred Buhr, Wilbert Buhr, Melvin Buhr, Leonard Schnadt, Elmer Schnadt, Mrs. Erhardt Haar [Leota Schnadt], Allen Buhr, and Ernest Buhr. Also members of our church are 28 great grandchildren, 28 great-great grandchildren, and 12 of the 6th generation.

Plans were immediately made to erect a parsonage and a church. The church was completed by late summer. It was a plain building, 30 x 40 feet without a steeple. Since the carpenter could not be paid much, the interior was roughly finished. The top of the altar had been smoothed with a common ax. But it was a house of God, adequate for gathering a congregation.

Dedication Services were held on the 21st Sunday after Trinity of

1875. A Farewell Service was conducted in the Sell school house, where services had been held by Rev. Blessin of Crane Creek. Then an Entrance Into and Dedication Service for the new church was conducted under the leadership of Rev. Adix, with Rev. Bredow giving the dedication address and President Grossmann preaching the sermon.

Up to the time of the dedication, 14 families made up the membership of the congregation, although 20 families took part in the service.

By November of 1875 the parsonage had been built and completed. It was a simple structure, 16 x 20 feet with an 8 foot ceiling, without paint or chimney. A stove pipe through the roof emitted the smoke from the stove. Part of the new parsonage was made to serve as a school house, which did not allow for bedroom facilities, so the family spread straw ticks on the floor for sleeping. The school room was also used by Mrs. Adix to prepare meals while school was in session. This was also the beginning of the Christian Parochial School here at Buck Creek.

During these early years of the Buck Creek Congregation, Rev. Adix saw the need to minister to others. Realizing that there were several Lutheran congregations in existence around Sumner, but none in the town of Sumner, he organized St. John's Lutheran Society there.

For many years Rev. Adix served St. John's in Sumner alone, until, in 1887, he engaged the services of Rev. Herman Bredow, son of Pastor Paul

Years of Growth

Bredow, to act as his assistant at the Sumner Church. Rev. Bredow was to look after the building, teach the children during the winter months and conduct regular religious services every Sunday. Before this, the services were only held every two weeks, because of Rev. Adix's duties here at Buck Creek. In 1888, the Sumner Congregation elected Rev. Bredow as their regular pastor, leaving Rev. Adix more time to devote to his country congregation.

In the course of the years, St. John enjoyed such a sound, steady growth, reaching a membership of 80 families, that by 1891 it became necessary to enlarge the church. It was lengthened by 30 feet on the west end, and a 90 foot steeple was built to hold a beautiful sounding bell.

The enlarged church was re-dedicated on the 24th Sunday after Trinity, November 8.

Prior to this time, a school building 20 x 30 feet had also been built to the north of the church, to better facilitate the educational program of the church. A post office was also incorporated in the school for a number of years, with Rev. Adix serving as postmaster.

The old parsonage-school was expanded and remodeled by adding two rooms, the one measuring 16 x 24 feet, the other 16 x 20 feet.

At the completion of his 23 years of service here, Rev. Adix accepted a Call, resigning in September of 1897, to serve as Superintendent, "Warsenvater," of the Orphans Home at Andrew, Iowa.

Rev. Fred Schedtler, 1897-1913

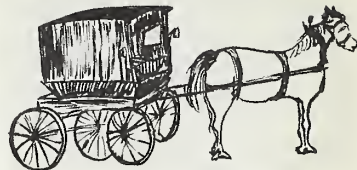

On October 17 of 1897, Pastor Schedtler of Bennington Township was called as Rev. Adix's successor. He accepted and was installed by Rev. Adix on December 5 of the same year.

It was during Rev. Schedtler's pastorate that the congregation felt the need to erect a shelter for its horses, that so faithfully brought them to worship Sunday after Sunday. So in 1899, a large stable was built, into which each could drive his team in inclement as well as good weather.

This stable remained until 1945, when, through disuse, its shelter was no longer needed and it was removed.

In the year 1900 the Buck Creek congregation observed its 25th

Anniversary. To better express its feelings, and to render praises to God for "His Goodness and Mercy," the congregation purchased and had installed a pipe organ, for the sum of \$800.00. This organ still serves us today, although it has been rebuilt and improved three times since then.

In 1902, seeking to extend God's Kingdom, Pastor Schedtler helped to organize the Grove Hill Congregation, just south of this vicinity.

In the year of 1912, Buck Creek decided to cease functioning as an independent congregation, and thus affiliated itself with the former Iowa Synod.

Since the time Pastor Wm. Adix began his school with 15 pupils, the Christian Parochial School had grown steadily. Already in 1879 it had grown to between 40 and 50 pupils. For five successive years the number of children exceeded 70, once reaching 77. So in the last year of the pastorate of Rev. Schedtler, it was decided that a parochial teacher should be called so all subjects of the public school could also be taught.

In October of 1913, after serving Buck Creek for 16 years, Pastor Schedtler accepted a Call to Hope Church near Westgate, Iowa.

Old school north of church with Rev. Schedtler at the back.

Years of Growth

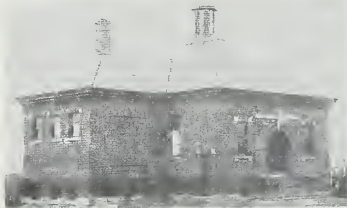

Rev. Henry L. Adix, 1913-1926

The next pastor to be called by the Buck Creek congregation was a son of the first resident pastor. Rev. H. L. Adix, also serving at Bennington, as did his predecessor, accepted the Call and was installed in the fall of 1913.

It was not until Rev. Adix's pastorate that the resolution about employing a full time parochial teacher, which had been made a year earlier under Pastor Schedtler, was carried to completion.

Because the enrollment in the Christian Day School had grown to such proportions it was also deemed necessary to enlarge the school facilities. Therefore, a new brick school house was erected on newly acquired land across the roadway from the church. The cost was \$4,628.12 including the acre of land purchased from Mr. Jacob Glatley.

By the year 1915 it became necessary to do interior renovation in the church. After much discussion, it was decided to excavate a basement under the entire church, and to move the church back from the roadway a distance of 15 feet. A gasoline powered blower was also purchased and installed to pump the organ.

During this period the language question became a constant source of irritation. "Should the services be changed from the German language to English?" This was not an easy question to resolve, and was not answered until 1950 when the German in church services was dropped completely!

In 1918 the present parsonage was built at a cost of \$5,233.26. For the occasion of the church's Golden Anniversary a new fence, made of ornamental wrought iron with brick end and gate posts, was erected along the front of the cemetery.

When the 50th Anniversary was held on June 21, 1925, the

community received a rain of such proportions that it is still clearly remembered today by many who participated in the celebration.

In 1926, Rev. Adix followed the Call extended to him by the congregation in Monticello, Iowa.

Rev. J. Graening, 1926-1927

Pastor J. Graening, living in retirement at Waverly, was asked to serve the Buck Creek Congregation until another Pastor could be called.

At first he did so, commuting from his home, but then he moved into the parsonage for a few months. He served in full ministerial capacity here and was permitted to rejoice in confirming a class of ten young people on Palm Sunday of 1927.

The following Sunday, Easter, he terminated his services here.

Years of Growth

Rev. Herman Kuhlmann,

1927-1935

Rev. Herman Kuhlmann of Limestone, Illinois, served our congregation during the years of 1927 to 1935. Unfortunately, his pastorate coincided with the nation's period of financial depression. Because of this depression, the congregation was limited in what could be done to the physical properties of the church. However, one improvement was accomplished, that being the installation of electrical lighting facilities.

The Luther League of today was organized back in 1927 during his pastorate.

In June of 1928, in connection with the annual Mission Festival, Rev. Kuhlmann ordained his son, Gerhardt, who was soon to take over from his father here at Buck Creek.

Due to ill health, Rev. Kuhlmann resigned in January of 1935.

Rev. Gerhardt S. Kuhlmann,

1935-1945

Rev. Gerhardt S. Kuhlmann had been teaching at Texas Lutheran College at Sequin, Texas, when he was called as pastor of Buck Creek in January of 1935. This same year was the 60th Anniversary of St. John's, so Rev. Kuhlmann began immediately to guide the planning and preparing for this celebration.

In preparation for this observance, the divider was removed from the pews and an aisle placed down the middle. The interior of the church was decorated with Nu-Wood and Cellotex.

A new, hand-carved oak altar and pulpit, which still grace our house of worship, were donated to the church by the Kuhlmann family.

At that time, the work was still predominantly German, one service a month being conducted in English and religious instruction in the school conducted entirely in German.

With the coming of better times, much needed repairs and improvements were made on the organ. In 1937 it was rebuilt and electrified.

On February 1, 1940, the school house was gutted by fire, but since the walls remained intact, it was rebuilt the same year.

Rev. Kuhlmann started serving the Grove Hill Congregation in October, 1940, and was issued a Call by them in January of 1941. He was given permission by the congregation to accept.

BUCK CREEK MEN'S CHORUS — Active during the 40's — Sang throughout the community for many different occasions. Those standing in back: Henry Tegmeier, Robert Judisch, Henry Zell, Herman Zell, Rev. G. S. Kuhlmann, Ed Tegmeier, Bill Seehase, Henry Judisch and Herb Judisch. Those sitting in front: Henry Haar, Ernest Nuss, Ernest Seehase, Herb Seehase, Elmer Schnadt, Henry Schedtler, and Otto Meier.

A men's chorus was organized by Rev. Kuhlmann in the spring of 1935 to prepare for the 60th Anniversary and was active all the years of

Years of Growth

his pastorate. Among the special performances given by the men were a Christmas program at the Sumner High School and at the Children's Home Festival at Waverly and throughout the community at different churches during their Mission Festivals.

He also saw the need for women working in God's Kingdom, so in 1940 he sought to organize a Women's Missionary — Ladies Aid Society, which today is our A. L. C. W.

In August of 1945 he accepted a Call to St. Paul's in Des Moines, Iowa.

Rev. Kuhlmann retired from the active ministry in 1968 and is now living in Fort Collins, Colorado.

**Rev. Adolph J. Lechner,
1945-1949**

In August of 1945, Rev. A. J. Lechner accepted the Call extended to him.

During his tenure here, it was decided that Lenten Services should be all English, 1946; the stables were sold in 1947 for \$700; a new well was dug and a deep well system installed at the parsonage, 1947; the Articles of Incorporation of the Congregation had expired and were renewed, 1947; \$650 was approved to furnish a sick room in the Sumner Community Hospital, 1949.

Also, at the 1948 annual meeting, the German-English question was a main item of business. A schedule was adopted to leave the choice of the German Service to Pastor, Good Friday only double service, Sylvester Eve Service to English, second holiday in German. This schedule was voted down in 1949.

As time neared for the observance of the 75th Anniversary of the founding of the congregation, at Rev. Lechner's suggestion, plans were started for a thorough renovation of the church. It was also decided to add 12 feet to the east end of the church and 4 feet to the west end, together with a deepening of the basement room.

In May of 1949, Rev. Lechner resigned and followed the Call to Toluca, Illinois. Rev. Lechner is presently serving at St. Paul Evangelical Lutheran Church in Tonica, Illinois.

Rev. Leo Widdel, 1949-1950

When Rev. Leo Widdel arrived of 1949, he found the rebuilding project underway, so as to be completed by the 75th Anniversary to be held in August of 1950.

Much landscaping was done to change the appearance of the property completely. In September all the trees, which included 12 large trees and 13 Chinese elm, were removed from the church yard, leaving only the trees that bordered the parsonage driveway. In October of 1949 evergreen shrubs

planted and 19 more specimens of shrubbery were planted in the churchyard of 1950.

With the additions to the church, a new sacristy was built, a chancel enlarged on the east end and a nursery added to the west end. Also new stained glass windows were installed and the church was resided.

The full basement now contained a modern kitchen, large living room, and a new oil-burning furnace.

In the nave of the church were added new pews, carpeting and flooring. Also the organ was completely rebuilt and relocated.

In the fall of 1949 the Sunday School and the Brotherhood Society were organized.

The use of the German language in worship services was discontinued in 1950. Also, in 1951 the parochial school was closed and Lenten Services were changed from Friday evening to Wednesday evening.

In September of 1951 Rev. Widdel resigned to accept a call to Belmont, Iowa.

Years of Growth

Rev. Allan J. Stoa, 1968-

Our present pastor, Rev. Allan J. Stoa, was installed here at St. John on June 23, 1968, by the Executive Assistant to the District President, Rev. Alvon Nelson. Prior to this he was ordained, on June 9, at his home church, First Lutheran of Albert Lea, Minnesota.

Soon after his arrival, Rev. Stoa began serving St. Peter's of Oran and was issued a Call from them on June 6, 1969. Until 1955, when it was moved to the town of Oran, St. Peter's Church was the Grove Hill Congregation just south of Buck Creek, which was organized in 1902 by Rev. Fred Schedtler while he was pastor here.

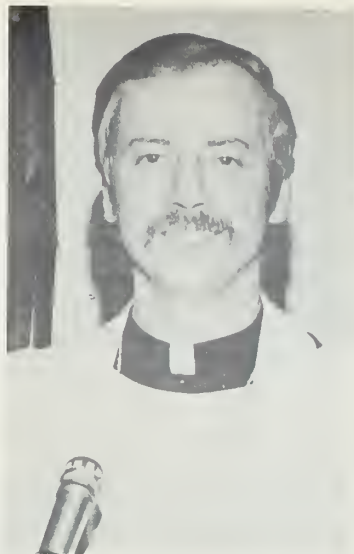

In October of 1969 the new entrance was dedicated, giving our growing congregation much needed space. Another much needed improvement, due to the acoustical problem in our church, was the installation of a public address system in June of 1971, with an earjack for the hard of hearing.

Other items which contribute much to the worship service are the new piano, which is used mainly to accompany our choirs; the gold cross on our altar, which replaces the old wooden cross that could not be seen clearly; and the Carillon Bells, installed at Christmas time last year, that greet our members as they come to worship.

Some of the innovations Rev. Stoa has made during his years here as pastor have been to change the electric candelabra to live candles and to initiate the Acolyte Program in 1973; to establish the Junior and Senior Choirs; and to create the interest of the small children in worship services by calling them to the front of the church for a mini-sermon, with some visual aid being used, and to view a baptism periodically.

During the past two years many improvements have been made in preparation for our 100th Anniversary celebration on July 6, 1975. The organ has been completely rebuilt at a cost of \$2,000 and if cared for every year will last indefinitely. The church was insulated, humidifiers put in to stop the cracking of the church furnishings, a sump pump installed to stop water from flooding the basement in the spring, and new cloth placed behind the grills on each side of the chancel. Also, the church has been painted throughout and the bathrooms paneled and papered. In 1974 evergreens were planted and this spring the line fences were taken out and the land cleared and the parking lot enlarged.

As the time for our Centennial Celebration grows closer, many plans are being made and carried out by various committees, all under the supervision of the main planning committee, appointed at the 1974 Annual Meeting, and under Rev. Stoa's advice and direction. By the time July 6, 1975, arrives every member of our congregation will have been involved in some manner toward helping to make our Centennial a success.

The Legacy

We of the Centennial Committee have attempted to present to you, the reader, what we believe have been some of the "highlights" of the "Buck Creek" Congregation. As these pages bear witness, these past one hundred years have truly been a "Century of Growth and Grace" as Jesus Christ as the cornerstone. From humble beginnings, the Lord has prospered the work and witness of His people in many ways.

We are grateful for the opportunity that has been ours to plan and present this Centennial observance. So now we pass on to you, the future church, the challenge to "grow in the knowledge and grace of our Lord and Savior Jesus Christ." We, your elders and forefathers, have planted and watered. May the next one hundred years find you, too, living in the grace of God.

Sunday School

To strengthen the religious education program of the congregation our Sunday School was organized in 1949 under the leadership of Rev. Leo Widdel. The first session was held on Sunday, October 2, of that year with 125 persons present. Mr. Ted Hoppenworth was our first superintendent. Although she has not taught continuously since 1949, but has the last 14 years, it must be mentioned here that Mrs. Merlin Buenzow, then Miss Jean Thurm, helped teach in the first Sunday School.

In October of 1959 the Associate Teacher Program was introduced by Rev. Robert Glaser. Each class has an associate teacher who teaches on the third Sunday of the month.

Many faithful teachers have worked with the Sunday School. Two of these teachers have taught over 20 years: Mr. Elmer Schnadt for 23 years, and Mrs. Gerhardt Schwake for 21 years. Four of our teachers have taught over 10 years: Mrs. Melvin Buhr, 15 years; Mrs. Merlin Buenzow, 14 years; Mrs. Marvin Nichols, 13 years; Mrs. Allen Buhr, 12 years.

In the early 1950's a Vacation Bible School was started in connection with the Sunday School. It is held every summer in June. Up till a few years ago it was held for two weeks but now is for only one week. A note of interest is that Mrs. Gerhardt Schwake has taught VBS for 17 years.

Our present Sunday School has 106 pupils and 27 teachers.

The ALCW

When pioneer families moved westward to establish homes, women concerned for the spiritual nurture of their children helped build churches as they had helped build their homes. In those early days women had little education and no business experience, but they were proficient in the basic arts of homemaking, so they did what they could. Their chief contribution to church life was to keep the church scrubbed and shining, to make and launder hand-crocheted altar cloths, and to serve meals at congregational gatherings. Some of them taught Sunday school. As they became increasingly aware of the heathen in far countries and the need to send missionaries to them, women who had no funds of their own, began to turn their knitting, sewing, and baking into sale items to earn a little money for the support of missions. Thus some of the earliest organizations for women in the church were sewing circles. These organizations satisfied a need for social fellowship, but more importantly, they provided an opportunity for women to do what they could for the advancement of God's Kingdom.*

Our group here at Buck Creek was organized when Pastor G. S. Kuhlmann, who served our congregation from 1935 to 1945, saw this need for women's working in the Kingdom of God. The organization was called the Women's Missionary and Aid Society. The first meeting of this Society was held in September of 1940 with seven charter members present: Mrs. August A. Buhr, President; Mrs. Henry Schedtler, Vice-president; Mrs. Herbert Judisch, Secretary; Mrs. Herman Zell, Treasurer; Mrs. Henry Tegtmeier and Mrs. Herman Kuhlmann.

Some doubt is raised here about the seventh charter member who was there at that first meeting. Possibly, it was either Mrs. August Tegtmeier or Mrs. Ernest Heinemann.

The Charter membership was left open until the end of the year. The following ladies joined before the new year, so they are considered charter members also: Mrs. Herman Poehler, Mrs. Otto Meier and Mrs. Emil Spier.

In 1961, when the ALC, ELC, and UELC merged to form The American Lutheran Church, the Women's groups also merged into The American Lutheran Church Women. At this time our group became St. John's Women of the Church, and became affiliated with the National ALCW.

The ALCW is an arm of the church and not an organization unto itself. With the merger, all women of the church automatically became a member of the American Lutheran Church Women. The purpose of this being that every woman shall serve the Lord with the talents God has given her. It is understood and appreciated that a woman is active in the program of the church even if she is not able to participate in the circle.

Since its beginning the Women's Group here at Buck Creek has

always strived "To Know and to Do the Will of Our Lord Jesus Christ," through Bible Study and prayer, and by putting its stewardship of time, talents, and money to good use serving the Congregation and the Community, and serving others through missions.

Services to the Congregation:

- Placing flowers on the altar.
- Visiting the sick and shut-ins of the congregation.
- The gift of a personalized baptismal handkerchief to parents of babies baptized.
- Coffee and cookies on Sunday morning.
- Furnish gowns for acolytes, organists and Junior Choir.
- Purchase fair linens, vases for altar, communion glasses and washers, dosal curtain and fair linens for downstairs altar. (The upkeep of the above items and the gowns is usually up to the ALCW.)
- Furnishing and upkeep of the kitchen and parlor facilities. (When the kitchen was built in 1950 along with the renovation of the church interior and the basement, the ladies group, then the WM-LA, furnished the major part of it and has always been responsible for the refurbishing and upkeep of the equipment. The 120 place settings of tableware and silverware that we use today were purchased by them at that time.)

ALCW

Other service projects:

- Sewing costumes for Christmas program characters, a few being done each year.
- Since 1971, make and decorate the Christmas Tree each year with Chrismons.
- Sponsor a yearly Congregational Family Night and Silent Auction.
- Publishes a monthly Newsletter with all the happenings of the congregation, committees, events, etc.

Services to the Community:

- Have conducted a Bible Study and Hymn Sing at the Hillcrest Rest Home the second Friday of each month for over three years.
- Caroling at Christmastime at the hospital, rest home, etc.

Mission Activities:

- Sewing and quilting and collecting clothing for Lutheran World Relief. (For many years in the past much sewing was done for New Guinea until the women of New Guinea became self-reliant and started sewing their own clothes.)
- Sponsored a foster child in China at \$12 a month for a few years and also sponsored an Indian family for a couple years.

Stewardship:

- Half of the offering each month goes to the National ALCW for benevolence.
- Thankoffering boxes are filled during the year by the ladies and are turned in each fall usually during a worship service.
- Much monetary help is given to different organizations, such as Bremwood Children's Home at Waverly, during the year.

One of the major innovations by the ALCW was to hold a Bible Study on a separate day other than the regular monthly business meeting. Thus giving more time for the study of God's Word and more time at meetings for special programs, speakers, etc. Also the prayer meetings which had been started in 1965 and held once a month were combined with the Bible Study in 1969. For the last few years the Bible Study has been held on the first Thursday of the month, one session in the daytime and one at night. The ladies lead the study themselves.

For many years the ladies have been divided into two groups, called the Marys and the Marthas, for the purpose of working at farm sales, funerals, weddings, etc. In 1960 a "Mile of Pennies" project was started between these two groups. Two cans, one marked "Marys" and one "Marthas," are set out at each meeting during the year for the ladies to put money into — pennies, nickels, dollars, whatever! At the end of the year the money in each can is counted and put in our

treasury. The group with the least amount of money in their can must entertain the other group. After 15 years there is still much good, cheerful competition and it gives a much needed boost to our treasury.

The ladies have been working hard to prepare for the Centennial. In 1973 the ALCW sponsored projects which netted over \$1,000 for the church's Centennial Fund: the Ice Cream Social during the Sumner Centennial, working at the Pioneer Expo Days, and the Family Nite and Silent Auction with Bar-B-Q pig. And again in 1974 the ALCW sponsored a Family Nite and Silent Auction with all money going into the Centennial Fund.

Since the liturgical colors during the Centennial will be green, the ALCW purchased a new green altar hanging kit and hired a lady to hand stitch it.

Also, a very special project of the ALCW is the Centennial plates and trivets with a sketch of the church on them. These will be on sale during the Centennial Celebration.

The Brotherhood

Left to right, seated: Allen Buhr (Treasurer), Elmer Schnadt (Secretary), Henry Bonorden, Melvin Buhr, Rev. Stoa; standing: Neil Schwake (President), Leonard Schnadt, Reinhardt Buhr, Henry Platte, Erwin Platte, Herman Zell, Albert Erhardt.

Charter members still actively involved in the Brotherhood are: Herman Zell, Erhardt Haar, Leonard Schnadt, Melvin Buhr, Elmer Schnadt, and Erwin Platte. (Also, Allen Buhr has been an active member since January of 1950.)

The Brotherhood is the organization of and for the men of the congregation and is affiliated with the Men of the Church Program of the American Lutheran Church. Its four-fold program aims to promote education, devotion, fellowship, and service. The men have served the church with contributions to various organizations and furnished labor for manual jobs such as repair and carpenter work, and landscaping the churchyard.

On September 15, 1949, during the pastorate of Rev. Leo Widdel, the Brotherhood was organized with 24 men present.

Those present at the first meeting and the officers elected were: August A. Buhr, president; Elmer Schnadt, vice-president; Herman Zell, secretary; Erhardt Haar, treasurer; John Schneider, Fred Brunscheon, Louis Westendorf, Werner Westendorf, Henry Judisch, Leonard Mohlis, Leonard Schnadt, Frank Bohle, Harvey Guenther, Roy Thurm, Ernest Nuss, Reinhardt Judisch, Arthur Herman, John Knoploh, W. H. Tegtmeier, Melvin Buhr, Ted W. Hoppenworth, Reinhard Tegtmeier, Lavern Dettmer, and Herbert Seehase.

The charter membership remained open till the end of the year with the following men joining: Ernest Knoploh, Leo Westendorf, Ernest Seehase, Herb Wilharm, Robert Judisch, William Seehase, Raymond Seehase, Herb Judisch, and Erwin Platte.

The first project of the Brotherhood when it was organized was to raise \$284 for the basement floor fund which was done for the 75th Anniversary. A few of their other projects over the years since then have been to build a picnic fireplace, repair picnic tables, paint church basement (more than once), plant pin oaks on the church lawn, and evergreens in the cemetery. For the Centennial the Brotherhood made nine new dining tables and repaired the old ones.

In October of 1950 a dartball team was organized and has been a good source of entertainment for the men as well as good fellowship with other churches in this area.

The Brotherhood has always worked closely with the A. L. C. W. and Luther League; for example, they gave a donation to the A. L. C. W. to help pay for Chrismon material and shared with the Luther League the cost of flood lights on the church.

Although small in number the Brotherhood continues as an active part of our congregation with a regular meeting each month consisting of devotions, Bible Study, business and a social hour.

Luther League

Prior to World War I, a youth group called the Wartburg League was organized in the church, and this society remained active until the coming of the war, when it was disbanded.

Ten years later, in 1927, during the pastorate of Rev. H. Kuhlmann, reorganization efforts resulted in the establishment of a Luther League.

On January 22, 1928, the newly formed Luther League adopted a constitution signed by 18 members. First officers were: Herb Seehase, president; Wm. Seehase, vice-president; Edna Sell, secretary; Alice Schwake, treasurer. Other charter members were: Reinhard Judisch, Edwin Seehase, Ernest Nuss, Gerhardt Schwake, Otto H. Buhr, Paul Judisch, Henry Knoploh, Louis H. Buhr, Albert Westendorf, Esther Schwake, Esther Seehase, Minnie Schedtler, Minnie Knoploh and Minnie Schwake.

The constitution was originally written in German and was not translated into English until 1937. Also, the minutes of the meetings of 1928 were written in German.

A few highlights of the early years of the Luther League are:

- From 1928 until 1949 the devotion and business meeting was held on Sunday afternoon once a month, and one "social" evening a month on a Tuesday. In December of 1949 these were combined into one evening a month.
- From 1928-1950 the League held an ice cream social every summer on the church lawn at Mission Festival time.
- During these years they put on quite a few plays a year.
- They sold subscriptions to the church paper, *Kuchenblatt* and *Lutheran Standard*.
- In World War II years they had a writing committee of four persons whose duty was to correspond with the servicemen.
- They purchased many items for the church, electric candles for the altar in 1931, the start of an individual communion set, mimeograph machine in 1938, piano in 1928, etc.

On Tuesday, September 16, 1952, the League celebrated their 25th Anniversary with services at the church.

In more recent years the League has presented a passion play, a

A few items the League has purchased are picnic tables for the church yard, helped pay for the hymnal racks, the spotlight for the cross, the new refrigerator in the kitchen, and also donated half the proceeds of the chili and oyster supper in 1969 to the remodeling fund for the church.

In 1969 a softball league was started with other churches in the area, and they have brought home some trophies!

Since 1964 the League boys have been ushering in church.

The Luther League is still very active, and an essential part of the ministry of our congregation. All our young people enjoy meeting together, involving themselves in devotions, mission projects, recreation, and at different times have led our congregation in worship.

Music Department

The Buck Creek Congregation has always enjoyed worshipping and praising God by singing! No better way can be found to express feeling than by a song, whether sad, solemn, or joyous.

During different periods in the life of the congregation, singing groups have been formed but were disbanded after a time, most often for lack of a director. The exception being the Men's Chorus formed in the 1940's, which was active and quite well-known in our community for a good number of years.

Today, under the encouragement and guidance of our Pastor, Rev. Stoa, we have two very fine and active choirs, both Junior and Senior. They are under the capable direction of Mrs. Neil Schwake, Junior Choir, and Miss Ann Steinmetz, Senior Choir.

Also, due to Rev. Stoa's efforts, a program has been set up where all the musical talent of the congregation has been utilized to the fullest. At present there are seven young people who devote much of their time to playing both the organ and piano for worship services, accompanying the choirs, and for Sunday School Devotions. They are Bob Buhr, Sue Buhr, Jody Judisch, Tim Judisch, Kari Stoa, Kris Stoa, and Cindy Wehling. Mrs. Ray Donat, who has served many years, plays the organ for worship services, alternating with Sue and Jody. Kris and Jody also play for services at our Sister Church in Oran.

For 75 years the same beautiful pipe organ has played the music for our worship services. In 1974 a new piano was added and is used especially to accompany the choirs. Also, during the last few years, many other musical instruments have been used in our worship services and the Christmas Program such as guitars, flutes, clarinets, etc.

. . . From the Editors

Searching through the records and journals of the past has been inspiring, challenging and rewarding experience.

We have done our best to be accurate, but we ask that you forgive us for any errors you may find. It has been our desire that we could show you where we are, what we are, what we have been, and what we hope to become. We have not made an effort to identify each person in every picture, nor to show a picture of each member.

Again, we ask your forgiveness for any errors and our thanks to all those who supported us with materials, pictures and information.

Rev. Allan J. Stoa
Mrs. Marvin Nichols

A Very Special Thank You To:

Rev. Paul Meyer for translating German to English the chapter on Buck Creek from Pastor Paul Bredow's book.

Mr. Herb Seehase for translating all our German records from 1875-1950.

Mrs. M. M. Rogers for the sketches in the book.

Mr. Herb Forsman for all his time taking pictures.

And to Mr. Jim Heyer for all his advice and help in compiling this book.

The Editors.
